Monthly gross earnings of full-time employees

Source: Statistics Estonia, Earnings application. The application shows the gross earnings and salaries of employees registered in Estonia for the selected period. The data of the employment register and Annexes 1 and 2 of the tax return TSD (income and social tax, mandatory funded pension tax and unemployment insurance tax return) are used.

https://palgad.stat.ee/en

Median wage – a payment from which a half the employees in this occupation earn more and half earn less.
